

## VOLUNTEER FORM 2025

### Our Club Needs You Urgently!

Parental involvement is crucial to the success of Trafford Metro Swimming Club. Without parent volunteers our Club would simply cease to function.

Volunteers are currently needed to help in many areas of the club. Any time you can offer, however little, whether on a regular or occasional basis, will make a big difference. Knowledge of swimming or the world of swimming is not needed, as full training will be provided.
